

March 2011

Dear Friends, Patrons and Sponsors,

On behalf of the Board of Directors, I would like to thank you for your support of the Big Horn Equestrian Center and encourage your continued support for the upcoming 2011 season, celebrating over a quarter century of operation.

The significance of the horse is so closely tied to the history of the Sheridan area that it inspired the founding members of the BHEC to provide a facility "where all people in the community of widely diverse social and economic backgrounds could participate in the continuation of equestrian events, polo and horsemanship". This philosophy continues to be our foundation, and through your generosity we have been able to build on this foundation and become an integral part of our surrounding communities and the state of Wyoming.

Your participation helps BHEC host many events that positively affect individuals and businesses in our area: the Mars/Snickers Soccer Tournament, the Wyoming State Soccer Championship, the Wyoming State Youth Soccer Cup, the Ducks Unlimited Greenwing Festival, Bruce Burns Fourth of July Fireworks Benefit, Sam Morton's Full Moon Polo School, The WYO Rodeo Tailgate Celebration, Big Horn Polo Tournaments, Don King Days, weddings, and other celebrations...***Supporting the BHEC means supporting our community.***

Your financial interest helps improve our facility for your enjoyment. Serving as the heartbeat of the Equestrian Center, the clubhouse has been greatly improved with the addition of central heat and air conditioning, "Skeeter's Patio", and the "Kelly Howie Barbeque". For members, the clubhouse has become the place to bring family and friends to relax and enjoy the view.

We are very grateful for your contributions over the years and hope you continue your loyal support of the BHEC by renewing your membership at this time. If you are not yet affiliated, please consider joining today and discover the benefits of belonging to this great organization. We look forward to honoring members at the Patrons Appreciation Party every June, and again, thank you for your commitment to the Big Horn Equestrian Center... ***Where the Grass is Always Greener!***

Sincerely,

Bob Rolston
BHEC President
